

the ultimate commission accounting system

Full Service (Effective July 1, 2017)

In addition to licensing the APL software to end users, APL, Inc. also offers full commission accounting service via its Business Service Department. If your agency does not have the necessary data processing staff, you may want to consider our most affordable one-fee, turn-key service. No job is too big or too small:

eAgentCenter Fee Structure:

Monthly Maintenance Fees:	\$150.00	eAgentCenter
	\$0.25	per active/vested agent (1-1,000 Agents)

Billing Service is available. Please consult APL sales team for details.

Summary of Services

The APL staff fulfills all work necessary to complete the following:

1. Commission payroll processing
2. Manage debit balance, chargebacks and escrows
3. On-line statements for active/vested agents via www.eAgentCenter.com

Program Customization

All custom programming will be billed at \$60 (APL product based) or \$90 (non-APL product based) per hour in addition to the monthly fee
